

Environmental Policy

Meridian 60 Offshore is firmly committed to conduct all operations and perform all work in a manner that minimizes, to the greatest extent possible, any adverse impact on the environment. Our company pledges to adhere to the following principles in the conduct of its activities and operations.

- Striving to meet or exceed any regulatory requirement applicable to its operation.
- Striving to prevent spills and other accidents.
- Reducing the amount of waste created by the company.
- Ensuring that waste, particularly hazardous waste, is transported, handled, and disposed of in a safe and responsible manner in accordance with regulatory requirements.
- Maximizing energy efficiency and conservation.
- Ensuring the use of safe operating procedures and technology in order to minimize environmental and health and safety risks.
- Using, where practicable, outside contractors, firms and suppliers who share in our commitment of protecting the environment.

It is the responsibility of all employees to observe and comply with the guidelines established by this policy.
